Consultant team

Matrix Partnership was appointed in January 2003 by Devonport Regeneration Company (DRC) and its partners to prepare a Development Framework for Devonport.

This is the first draft final report submitted for public consultation.

The **Matrix Partnership** - led team comprises:

- Matrix Partnership: lead consultants, town planning and urban design
- Roger Tym & Partners: development economics, implementation, viability and funding
- Levitt Bernstein: neighbourhood renewal delivery and architecture
- Mott MacDonald: transport and engineering
- Maze Consulting: property market advice
