

**Plymouth:  
Port and Place**  
Look at the largest  
boat model  
in the gallery,  
Draw it in the  
box on the right.

**Plymouth: Port and Place**

**Find the socks!** Belonging to .....

Draw your 5 favourite items you found in the museum - don't forget to name them!

**Well-done you completed the trail! Don't forget to pick up your reward from the front desk!**

welcome to  
plymouth city  
museum and  
art gallery!

Trails for 6 to 10 years

## Plymouth museum and art gallery has a wonderful selection of art and artefacts for you to explore!

The trail is designed for children aged 6-10 and is a support for self guided tours enabling children and their families visiting to enjoy, explore the museum together and to encourage conversation about the objects.

You are doing the orange footprint trail which means wherever an item in the trail is there will be an orange footprint next to it - so look out for the footprints! Follow the trail room to room. Have fun and explore!

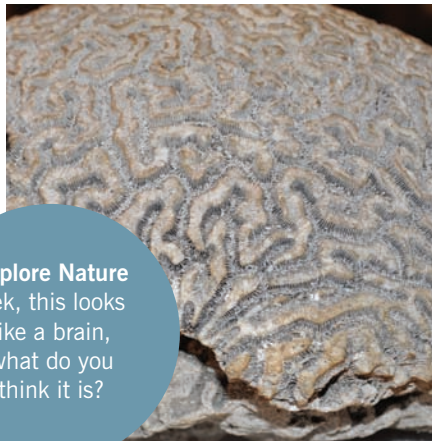

# Go!

### Ancient Egypt

Spot this Shabti, These figures would be placed in tombs and were thought to be put there to act as a substitute for the deceased should he/she be asked to do manual work in the afterlife.

Find the head of a cat coffin!

Explore Nature  
Eek, this looks like a brain, what do you think it is?

Explore Nature  
Find out who this big skull belongs to.

### Uncovered

Find out what the item in the case is, and where it's from. Write the answers below.

### Bringing the world to Plymouth

This tiger puppet comes from Burma; it was used to teach children about creation. The tiger always entered from the left as it was seen as a 'baddie'!

Play the instruments!  
They are called a

Ba \_ a \_ \_ \_ ,

D \_ em \_ \_

and a M \_ i \_ a.
