EVENTS AND ACTIVITIES

*April 2009
to February 2010*

Here, at Plymouth City Museum and Art Gallery, we've been welcoming visitors through our doors since 1910. This leaflet aims to give you a snapshot of what we do and what you can see if you decide to pay us a visit!

Events

Our busy events programme runs throughout the year and includes family-friendly holiday workshops, lunchtime talks, classical concerts and a series of special events. Take a look at the Events pages on our website, check the local press or call us for full details.

Education

As well as what you see on display, we also offer excellent schools and community outreach programmes. To find out more about how your school, community or organisation can work with us, call and ask for our Learning Team.

Explore

Your adventure doesn't have to stop at one visit! With changing exhibitions, many events and free admission there's always a reason to come back and see us again! Our other sites such as Smeaton's Tower lighthouse on The Hoe and our historic Elizabethan and Merchant's Houses on The Barbican are also well worth a visit.
