

Bookshop

Our bookshop is open throughout the year including school holidays.

We have the largest showroom of children's and young peoples titles in the City with new stock arriving every day.

Any organisation is welcome to visit us to buy books.

Our stock is balanced and wide-ranging reflecting the diversity of the needs of young people.

We categorise our stock into fiction and non-fiction and broad age groups.

We offer specialist advice regarding individual customer needs.

All our books attract a 15% discount if you use other parts of our service, or 10% discount. They are fully serviced (library stationery and plastic jackets) and are delivered free of charge to your school if you are within a 20 mile radius.

If you subscribe to our standard or light package, books purchased from us can be returned through the twice yearly exchange.

You can order books from us and the discount remains the same.

A small number of books (usually from educational publishers) attract nil discount but are still fully serviced.

Special displays are arranged for visitors selecting particular areas of stock.

We always have plenty of tea and biscuits for you!

Please call 01752 780713 to book a visit.
