

# SCHOOL CROSSING PATROL SERVICE

Being a School Crossing Patroller provides a valuable service to the local community. If you are friendly, outgoing and available during school term time this could be the job for you. You will work a maximum of 5 hours per week (half an hour in the morning and half an hour in the afternoon) 38 weeks of the year.

You will play a vital role in community safety by ensuring children and other members of the community have a safer place to cross the road. As a School Crossing Patroller, you can make a real difference to the safety of children at the beginning and end of the school day and encourage more children to walk.

The purpose of the role is to ensure the safety of children and others wishing to cross the road or crossing at a designated point at specific times, whilst being mindful with regard to the health and safety needs of other road users.

We are looking for flexible, committed, positive 'can-do' people. You will be community spirited and able to work in all weather conditions (it's dry more often than it is wet!). You will also have the support of a dedicated coordinator for advice and as a point of contact.

Full training is provided along with a free uniform. You will be paid 12 equal payments throughout the year which is approximately £140 per month (£9.36 per hour).

If you think this could be for you and want to make a positive difference in your community, then we would welcome your application.

Please apply online: <https://www.plymouthcitycouncil.engageats.co.uk>
