Forward Plan:

Item	Date
SS to update Forum in June regarding sustainable business models for providers and the matter of additional charges. <i>This continues to be on hold due to the pandemic and SS is in close contact with providers regarding the current stresses and strains. SS has also been in talks with Jon Taylor and Judith Harwood regarding the current situation.</i> 11.11.2020 - WC suggested that this is kept on the agenda as something to look at going forward.
