

REGISTRATION FORM FOR 11-PLUS

School Admissions

The information we ask for on this form will be used to determine the child's eligibility for a grammar school place at either Devonport High School for Girls or Plymouth High School for Girls. If you wish to register a boy for the 11- plus examination you need to contact Devonport High School for Boys direct.

If you need any help with this form please contact us using the details below

Telephone: 01752 307469

11-PLUS REGISTRATION FOR GIRLS

CHILD'S DETAILS

Please fill in the child's details

Legal last name	
First name	
Middle Name	
Preferred last name	
Child's date of birth	
Primary School currently attending	

CURRENT ADDRESS OF CHILD

This address should be the address where the child is normally resident

Number/House name	
Street	
Area	
City	
Postcode	
Does the child live with you at his address?	

CONTACT DETAILS OF PARENT OR CARER

Title	
First name	
Last name	
Relationship to child	
Home number	
Mobile number	
Email address	

11-PLUS VENUE

Please tell us which school you would prefer your daughter to sit the examination. We will try to arrange for her to sit the examination at the school you prefer but this does depend on the number of girls who want to sit the exam at each school.

Tick preferred school

Devonport High School for Girls	
Plymouth High School for Girls	

ADDITIONAL INFORMATION

As well as completing this application you will need to provide two recent passport type photographs portraying the head and shoulders of the child. The photographs need to be certified by her primary school teacher as a true likeness. Please send photographs to:

School Admissions
 Learning and Communities
 Plymouth City Council
 Windsor House, Plymouth
 PL6 5UF

When sending photographs please include the name and date of birth so that we can link the photographs to the registration.

We suggest that your photographs are either hand delivered to the School Admissions Team at Windsor House or that you post them to the team using recorded delivery for tracking purposes.
