

5. DEDICATED SCHOOLS GRANT 2020/21 BUDGET MONITORING

February 2021

The Council receives funding for schools through the Dedicated Schools Grant. The grant funds expenditure either directly through the Individual Schools Budget (ISB) or incurred by the Council on behalf of schools. Any over or underspends on the DSG are carried forward. The distribution of the ISB element of the grant is in accordance with the schools funding formula and the overall DSG has to be approved by the Schools Forum.

MAINTAINED SCHOOLS HEALTH CHECK

The financial stability of maintained schools is monitored using the budget monitoring returns. 2 maintained schools and 1 maintained nursery school ended the financial year with a deficit. Quarter 2 monitoring returns from schools show that 4 maintained schools and 1 maintained nursery school are projecting a deficit at year end. Any maintained schools forecasting a deficit position will be expected to enter into a licenced deficit agreement with the Local Authority where a 3 year plan will be produced to enable the school to eliminate their deficit within 3 years.
