Hearing Matters	Times
<p>Effectiveness:</p> <ul style="list-style-type: none"> ▪ Should the AAP examine how its Policies/Proposals relate to areas adjacent to the City Centre, especially the boulevard planned for Millbay, the outstanding recreational value of The Hoe and Plymouth Sound, and historic buildings and street pattern of The Barbican? ▪ Does the AAP contain sufficient guidance on what improvements to the public realm and circulation areas are expected? ▪ Are the diagrams and Proposals Map sufficiently clear? ▪ Should the Policies/Proposals contain more detail in relation to the housing numbers expected, including affordable housing and student accommodation? ▪ Does Policy CC18 need to have more detailed guidance on the form of development expected? Should not the Council's proposal to relocate the Civic Centre and Council House be included in CC18? ▪ Is there sufficient detail on the CHP? ▪ Adequacy of the Transportation Infrastructure – Mr Sroka 	<p align="center">10:00 – 12:30 on both days</p>
<p>Council's Closing Statement</p>	

Revised 28 January 2010
