

- Notes:**
1. This drawing has been prepared for the use of Fjori's client. It may not be used, modified, reproduced or relied upon by third parties except as agreed by Fjori or as required by law. Fjori accepts no responsibility and denies any liability whatsoever to any party that uses and relies on this drawing without Fjori's written consent.
  2. If this drawing has been received electronically it is the recipients responsibility to print the document to the correct scale.
  3. All dimensions are in millimetres unless stated otherwise. It is recommended not to scale off this drawing.
  4. This drawing is to be read in conjunction with all other relevant drawings and specifications.
  5. The use of any proprietary products shown on this drawing or in any associated specifications is based solely on the data made available to Fjori by the manufacturer and/or supplier, and Fjori has made no detailed check of the proprietary aspects of that product which remain the sole liability of the manufacturer and/or product supplier. All proprietary products must be installed in accordance with the manufacturer's requirements.
