

**From the Inspectors: question to the Councils**

**Examination into the soundness of the Plymouth and South West Devon Joint Local Plan 2014 -2034**

*Planning for the right homes in the right places: consultation proposals (14 September 2017)*

The consultation document "*Planning for the right homes in the right places*" sets out a proposed approach to calculating local housing need, on which the Government is seeking further views. It also sets out proposed transitional arrangements for applying that approach. For plans at the examination stage, the proposed transitional arrangement is to progress with the examination using the current approach. In this context, do the Councils consider that there are any implications for the current examination of the Plymouth and South West Devon Joint Local Plan?

We would be grateful for a response by the 31 October 2017.
