For the following offences, that is to say: -

(iv) **Prohibition Notices**

Section 10 of the Act (as amended) provides that if the local authority are of the opinion that the admission of spectators to a sports ground or any part of a sports ground involves or will involve a risk to them so serious that, until steps have been taken to reduce it to a reasonable level, admission of spectators to the ground or that part of the ground ought to be prohibited or restricted, the authority may serve a notice

(referred to as a "prohibition notice") on the Holder of the general safety certificate or the person responsible for the management of the ground, prohibiting or restricting the admission of spectators.

(v) **Appeals**

Section 5(3) of the Act (as amended) provides that an interested party may appeal to a Magistrates' Court against the inclusion of anything in, or the omission of anything from, a safety certificate.

(vi) **Transfer of the Certificate**

If the Holder of the safety certificate ceases to be the person responsible for the management of the ground, an application must be made to the Council for the transfer of the certificate to some other qualified person.

(vii) **Other Legislation/guidance**
