

ROUND ROBIN

CIT LANGUAGE TEAM

STUDENT:

SUBJECT:

TUTOR/YEAR GROUP:

With regards to the student named above, please comment on the following observations. This will help the CIT consider the student's language needs and devise ways of supporting him/her.

R= Receptive Language E = Expressive Language

R/E	OBSERVATION	COMMENTS
R	Is the student able to follow complex spoken instructions?	
R&E	Is the student able to pick up, retain and use new vocabulary easily?	
E	Does the student use sentences of an average length of between 7 & 12 words?	
R&E	Can the student recall and give detailed explanations of events in sequence?	
E	Does the student 'search' for words when speaking, call things by the wrong name or use empty language? ('thingy', 'you know')	
E	Does the student take a long time to respond to questions and/or give unexpected /unrelated responses to questions?	
R	Is it necessary to repeat/rephrase or simplify what you say to the student?	
	Does the student have difficulty recording their work?	
	Does the student find reasons to leave the class or be off task?	
	Does the student have difficulties with homework?	

Please add any other comments overleaf.
