Designated catchment area

St Budeaux Foundation C of E Junior School is a Voluntary Aided school located in the Diocese of Exeter. The Board of Governors of a Voluntary Aided school is the admission authority and has responsibility for admission policy.

This policy details the admission arrangements for our school and should be read in conjunction with the Junior and In-Year Co-ordinated Admissions Schemes and other agreed policies of Plymouth City Council, available at www.plymouth.gov.uk/schooladmissions. All policies and procedures seek to comply with the requirements of the School Admissions Code of Practice, available at www.gov.uk/government/publications/school-admissions-code--2.

HOW THE ADMISSION PROCESS WORKS

All parents must make an application for their child to be admitted to a maintained primary or infant school, using a Common Application Form. Places are not allocated to a child automatically, even where:

- there is an older sibling attending here;
- a parent has expressed an interest at any time in the school;
- a child is a member of any religious community; or
- the child has always lived close to the school.
- a child attends a particular infant school.

No places will be held in reserve for a child who applies late; the Board of Governors cannot hold empty places if another child applies for admission.

We will share information with the City Council and will publicise the need to apply but the responsibility for making an application will be with the parent.

VISITING OUR SCHOOL

We welcome visits from parents and children considering applying for a place here. This is an opportunity for parents to see what we have to offer. Visits are not a compulsory part of the admissions process and will not affect decisions on whether a place can be offered at our school. If you would like to visit our school, you should contact the school to make an appointment.

SECTION I

(i) HOW TO APPLY FOR A PLACE AT THE NORMAL ROUND – YEAR 3

The normal round of admissions is when children can join our school for the first time. So that all parents who wish to apply for a place in the school can do so each local authority (LA) coordinates applications for the schools in its area. This means parents must apply to their home LA for a school place and will receive **one** offer of a school place at the same time as other parents. For our school, Plymouth is the LA which coordinates applications which have been made either direct to Plymouth or passed on by other LAs.

Every parent who wishes to express a preference for a place here must use a Common Application Form. For residents of Plymouth, this is available online at www.plymouth.gov.uk/schooladmissions or within the Starting Junior School in Plymouth admissions booklet. A reference copy will be available at the school. Residents of neighbouring LAs – Torbay, Devon, Dorset, Cornwall and Somerset - must apply by contacting their own LA even if a place is requested here.

All applications must be made by the closing date; **15th January 2020**. In addition, parents applying for a place on religious grounds are requested to complete a supplementary information form. These forms are available direct from the school or from Plymouth City Council. Supplementary information forms should be completed and returned to the school by the closing date. Without a supplementary information form, the Board of Governors will still consider the application but will

not be in a position to prioritise it according to religious grounds.

What happens next?

Where there are fewer applications than places, all children will be admitted unless they can be offered a higher ranked preference. Only if there are more applications than there are places available will the Board of Governors prioritise applications according to the oversubscription criteria below.

Plymouth City Council coordinates admissions for all junior, primary and infant schools. A parent could be in a position to be offered a place at more than one school. If that happens, a place will only be offered at the school which the parent preferred the most on the common application form. The home LA will write (or email if the application was online) on 16 April 2020 to advise which school place has been allocated.

Shortly afterwards, we will also contact successful parents to welcome them to the school and to make arrangements for admission itself.

What if an application is refused?

In all cases, a parent who is refused a place here or at any other school has a statutory right of appeal to an Independent Appeals Panel. This will review the decision and will decide whether the refusal was justified on the grounds that the school was full. Even if the Appeals Panel agrees that the school was full, it will also consider the impact on the child and family and may still award a place at the school.

Withdrawing an offer

It is important that when we offer places to some and refuse others we do so fairly and consistently. Where we have reason to believe that false or deliberately misleading information has been provided we will reconsider the offer on the basis of the correct information. We may withdraw the offer if it would not have been made with the correct information, even if this is after admission. Places are offered on the basis of the address from which the child will attend school. Accurate information is particularly relevant for addresses. If necessary, we will ask for evidence of a child's home address before admission. If a parent knows or believes that the child's address will change before admission, he or she must inform us. We will require evidence of a new address where this would give a higher priority for admission.

Admission of children outside the normal age group

Places will normally be offered in the year group according to the child's date of birth but a parent may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born Prematurely. The admission authority will also take into account the views of the headteacher of the school(s) concerned. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different year group but a place is offered in the school, there will be no right of appeal.

(ii) HOW TO APPLY OUTSIDE THE NORMAL ROUND - IN-YEAR ADMISSIONS

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission to Reception

made after the normal round of admissions – after 31 August 2020 – and requests for places in other year groups should be made direct to Plymouth City Council.

With the exception of a child with an Education, Health and Care Plan (EHCP), all applications will be considered under Plymouth City Council's Fair Access Protocol.

Application should be made via Plymouth City Council at www.plymouth.gov.uk/schooladmissions. Community and voluntary controlled schools follow Plymouth City Council's local coordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from and returnable to Plymouth City Council;
- (ii) In addition, applicants applying under the faith oversubscription criteria should complete the faith supplementary information form and return it direct to the school;

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. The close date for application is the end of each working day. Offers should be made within twenty school days of the application submission date.

(iii) ADMISSIONS OVERSUBSCRIPTION CRITERIA FOR ST BUDEAUX FOUNDATION C OF E JUNIOR SCHOOL

A child with an Education, Health and Care Plan (EHCP) which names our school will be admitted.

Where there are fewer applicants than PAN, all children will be admitted unless they can be offered a higher ranked preference. For in-year admissions where there is space in the school, all children will be admitted unless the school can demonstrate that admission would prejudice provision of efficient education or efficient use of resources.

Where we receive more applications than the number of places available - the Planned Admission Number - the Board of Governors will prioritise applications using the following criteria:

OVERSUBSCRIPTION CRITERIA

- 1. Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);
- 2. Children attending the linked infant school at the time of admission - Plaistow Hill Infant School:**
 - 2.1 Children with exceptional medical or social grounds.** This category includes:
 - (i) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
 - (ii) Other children with exceptional medical or social grounds for needing a place at a particular school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional

medical or social needs of the child. This can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis.

Exceptional medical or social grounds could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

2.2 Brothers or sisters of children who attend the junior school at the time of admission. Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters;

2.3 Children from church going families, for example, who attend a Christian place of worship at least once a month. Parents applying for a place on religious grounds are requested to complete the supplementary information form;

2.4 Other applicants attending Plaistow Hill Infant School at the time of admission.

3. Children who live inside the school's catchment area:

3.1 Children with exceptional medical or social grounds. This category includes:

(i) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

(ii) Other children with exceptional medical or social grounds for needing a place at a particular school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. This can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis.

Exceptional medical or social grounds could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

3.2 Brothers or sisters of children who attend the junior school at the time of admission. Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters;

3.3 Children from church going families, for example, who attend a Christian place of worship at least once a month. Parents applying for a place on religious grounds are requested to complete the supplementary information form;

3.4 Other applicants who live in the school's catchment area.

4. Children who live outside the school's catchment area:

4.1 Children with exceptional medical or social grounds. This category includes:

(i) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a

place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

(ii) Other children with exceptional medical or social grounds for needing a place at a particular school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. This can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis.

Exceptional medical or social grounds could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

4.2 Brothers or sisters of children who attend the junior school at the time of admission. Children will be classed as siblings if they live in the same household in a single family unit. This includes for example, full, half, step, or adoptive brothers or sisters.

4.3 Children from church going families who, for example, attend a Christian place of worship at least once a month. Parents applying for a place on religious grounds are requested to complete the supplementary information form;

4.4 Other applicants who live outside the school's catchment area.

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth but a parent may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the headteacher of the school(s) concerned. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a place is refused in a different year group but a place is offered in the school, there will be no right of appeal.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Where we ask for evidence of the address from which a child would attend school,

this would usually be written confirmation of a house purchase or a formal tenancy agreement.

We will not accept more than one address as the child's home address. The terms of a child arrangements order may clarify what that is. In the absence of a child arrangements order, we will consider the home address to be with the parent with primary day to day care and control of the child. In reaching this decision, evidence will be requested to show the address to which any Child Benefit is paid and from which the child is registered with a medical GP. Any other evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes. This may be necessary, for instance, where parents don't agree on the child's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, we will determine the home address.

Mode of study and start date: There is a legal requirement that all children begin full time education by the beginning of the term following their fifth birthday, this is referred to as compulsory school age. Children join this school after they have reached compulsory school age.

For normal point of entry: the expected point of admission will be September 2020.

For in-year admissions: the expected point of admission will be within two weeks of the date of the allocation or within six weeks of the original application whichever is the later (unless other arrangements have been made with the school).

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all children of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all children within that multiple birth, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by an officer of Plymouth City Council¹ by the operation of an electronic random number generator.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place. Parent/carers declining the offer of a place should notify the educational arrangements they plan to provide for their child. Response must be made to Plymouth City Council. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else.

Tie-breaker: Where we have to choose between two or more children in the same category as each other, then the nearer to the school the child lives - as measured by a straight line on the map using Plymouth City Council's electronic mapping system¹ - the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. If the tie-breaker is not sufficient to distinguish between applicants in a particular category, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by an officer of Plymouth City Council¹ by the operation of an electronic random number generator.

Waiting lists: A child refused a place will be automatically entered onto a waiting list for vacancies. This will be kept either until a place is available or the parent no longer wishes to stay on the waiting list. Lists are kept in oversubscription order and are not affected by the length of time a child has been on the list. A child's place may rise or fall on the list as places are offered and new applications are made.

¹ At the time of determination, St Budeaux Foundation Junior School receives services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider.

DEFINITIONS AND EXPLANATORY NOTES

Admissions authority	This is the body responsible for the policy and for reaching decisions in response to admissions applications. For a Voluntary Aided school, this is the Board of Governors.
Christian Church	A church which subscribes to the doctrine of the Holy Trinity or a church recognised by Churches Together in England.
Church going family	Faithful and regular worship at a Christian Church is defined as regular attendance (at least monthly) with supporting evidence from parents/carers and the church minister through completion of the supplementary information form.
Documentary evidence	Once a place has been offered to a child, we may ask for evidence of identity – usually a short birth certificate. This may not be necessary where the child has been on roll at another school in England which can confirm that evidence has been seen at that school. We may also request evidence that a child’s address is genuine or that the person who made an application for admission was legally permitted to do so.
Fair Access Protocol	All LAs are legally required to operate a Fair Access Protocol across their area and schools must take part in the Protocol. This ensures that children who are vulnerable, unable to access an appropriate school place under the standard In-Year admission arrangements for the area have an admissions safety net.
Fees and charges	There is no charge for applying for a place here, for admission or for the provision of education. We will not request donations before or during the admissions process and any donations made to the school following admissions are entirely voluntary. No activities such as school visits are compulsory. A policy on charging for activities is available on request from the school office and can be viewed on our website.
Home-school Agreement	Admission to school is not conditional on signing a home-school agreement. However, we will ask parents to agree with this after children have been admitted as we believe they are a positive way of promoting greater involvement between parents in their child’s education.
Normal Round Admissions	This is where a child joins the school at the first opportunity for admission to the Year Group, for example, at the beginning of September in Year 3 (even if the start is deferred until later in the school year).
Objections to admissions policy	Advice is available from the Office of the Schools Adjudicator on how to object to the terms of this policy. Objections must be made by 15 May 2019.
Overseas children	We will treat all applications from children coming from overseas in accordance with European Union law or Home Office rules for non EU

	nationals. We will not offer places to children while they are overseas except for citizens of the European Union.
Parent	A parent is any person who has parental responsibility or care of the child. When we say parent, we also mean carer or guardian. Where admission arrangements refer to parents this can mean one parent or both. We may ask for evidence of parental responsibility where a person is acting as a parent but does not hold formal parental responsibility.
Published Admission Number or PAN	<p>This is the minimum number of places available at the school in Year 3. In limited circumstances, more will be admitted. It is calculated taking into account the physical capacity of the school, the level of demand expected from local, in-area children and sensible school organisation.</p> <p>Once we set this number, we won't refuse admission for applications below the PAN. If there is unexpectedly high demand and we believe we could admit more children, we will inform the LA and either increase the PAN or admit children above-PAN.</p>
